

# My Sharing Social Story

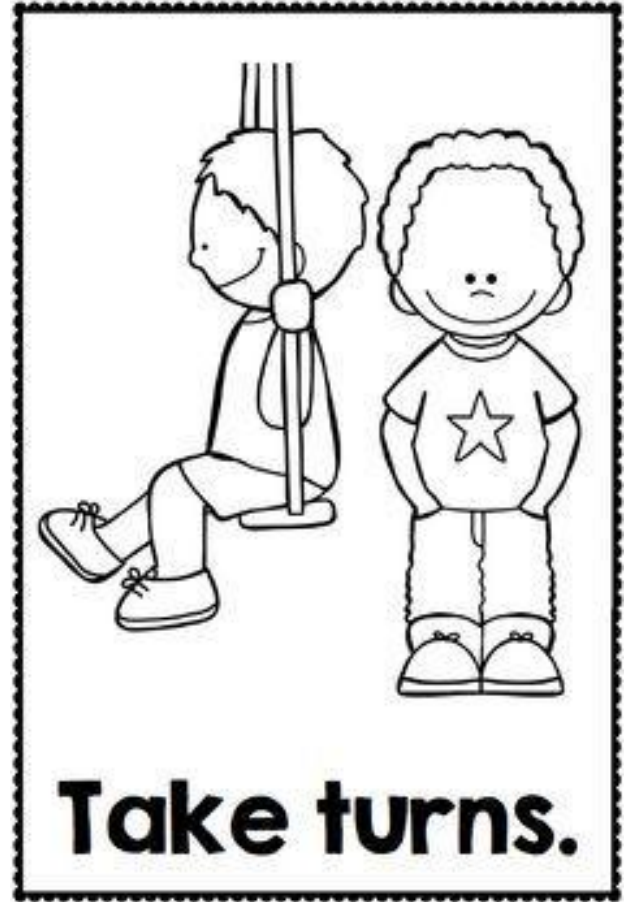

**Playing with toys  
together is fun!  
Sometimes at  
school my friends  
want to play with  
my toys and so I  
have to share.**

We Share!

**I can let my  
friend take a  
turn first. I  
will say,  
“your turn!”**

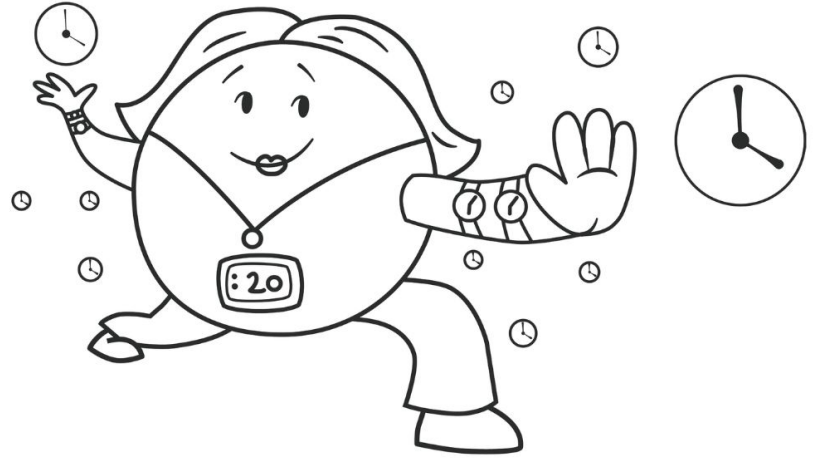

**Take turns.**

**I will give  
the toy to  
my friend,  
and wait my  
turn.**

**Sometimes it  
will be hard to  
wait my turn,  
but I will be  
patient!**

Patience

**When it is  
my turn, I  
will ask my  
friend to  
share.**

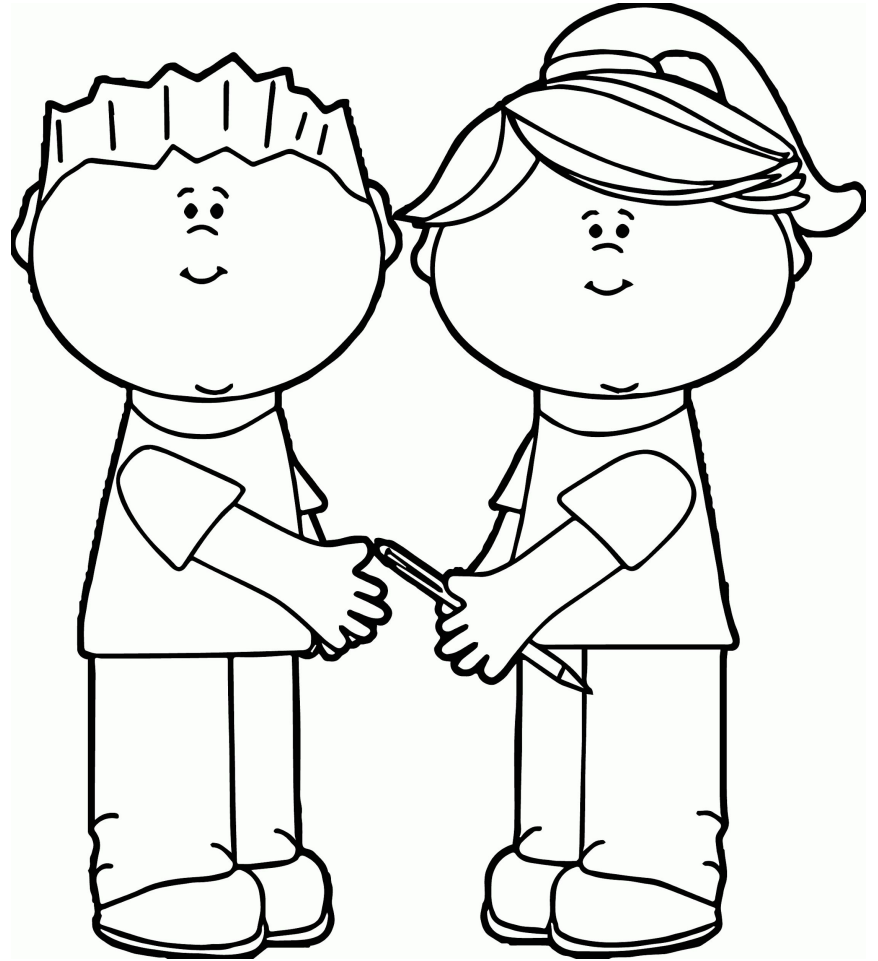

**I will take  
the toy and  
play with it  
for a little  
while.**

**When my turn is over, I might have a hard time giving the toy to my friend again, but if I wait patiently, it will be my turn again soon!**

**Sharing is  
caring and  
learning to  
share helps  
me be a  
nice friend.**

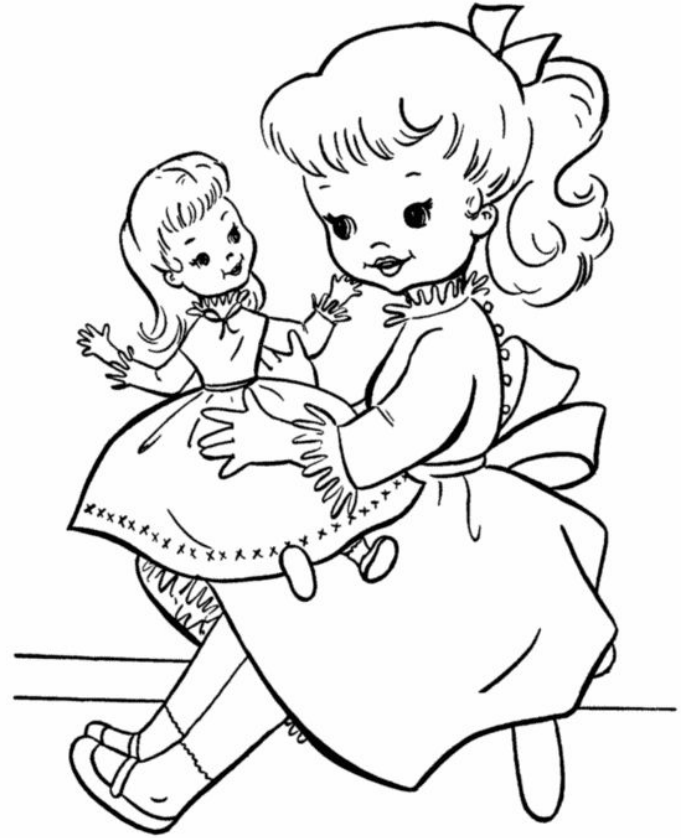

**Someday, I  
will be happy  
when my  
friend has a  
toy to share  
with me!**

**I could  
ask:**

**“Could I  
Please see  
your toy?”**

**I will play for  
it for a little  
while and  
then give it  
back to them.**

**Sharing  
is so  
much  
fun!**
